

The German Swiss International School (GSIS) is one of Hong Kong's leading international schools providing quality, holistic education to a multinational student body of approximately 1300 students and 240 faculty and staff. The school is organised into two Streams, German and English leading to qualifications in the German International Abitur and I/GCSE & IBDP respectively. We are inviting applications for the following position commencing **as soon as possible**.

APPLICATION ANALYST (IT DEPARTMENT)

Join our dynamic IT team as an Application Analyst and play a crucial role in the development, maintenance, and integration of essential school applications. We're seeking a career-oriented individual to empower our departments through insightful Power BI dashboards, contribute to application integration projects, and support ongoing application development initiatives. This is an excellent opportunity to gain valuable hands-on experience within a thriving educational environment.

Duties and responsibilities

- Collaborate with departments to understand their data visualization needs
- Design, develop, and maintain interactive dashboards and reports using Power BI
- Ensure data accuracy and consistency within dashboards
- Provide training and support to end-users on Power BI functionalities
- Assist in the integration of various school applications, ensuring seamless data flow
- Troubleshoot and resolve integration issues
- Document integration processes and procedures
- Assist in the development and maintenance of in-house applications
- Participate in code reviews and testing
- Contribute to the development of technical documentation
- Provide first-line technical support for application-related issues
- Maintain accurate records of support requests and resolutions
- Other tasks as assigned by IT, Data & Information Services Manager and Director of Technology

What we are looking for

- Degree/Diploma in Computer Science or similar subject
- Ability to analyse user requirements and convert that into a solution
- Knowledge or experience in Power BI, DAX, C#, ASP.NET, JavaScript, HTML, CSS
- Working knowledge of SQL and relational databases, and proficiency in using SQL queries, SSIS, stored procedures, views and functions
- Advantage if you have experience in jQuery, AJAX, Visual Basic .Net, LINQ to SQL, JSON, HTTP API integration, online payment gateway integration

What we offer

GSIS offers benefits such as competitive salary, medical health insurance, 20 days' annual leave, in-house cafeteria and 13th month salary payment. Staff bus transportation is provided between Central and the Peak Campus, subject to availability. We welcome candidates who show a commitment to continuous professional development and are willing to contribute to wider school activities

How to apply

If you are interested in joining our team, please apply via the GSIS online recruitment portal (<https://www.gsis.edu.hk/en/about-us/careers/job-openings/>), to the Director of Human Resources.

Further information on the school, its facilities and programmes are available on the school's website <http://www.gsis.edu.hk/>. Applicants not invited for an interview after four weeks may consider their applications unsuccessful. Personal data collected will be used for recruitment purposes only.

GSIS is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. Full background checks will be conducted to safeguard all students at GSIS.
